

Face Mask COVID-19 Mitigation Procedure

Department:	All	Position:	All
Division:	All	Effective Date:	04/5/2020
SOP:	Distribution and Use of Face Mask Enhanced Operating Procedures – COVID-19	Revised Date:	11/19/20

POLICY: All active Team Members working at their office or on property are **required** to wear a Westgate-provided face mask when in public areas during the COVID-19 pandemic or until further notice.

Westgate Resorts has provided masks in accordance with guidelines issued April 3, 2020 by the Centers for Disease Control and Prevention (CDC): "CDC recommends wearing face coverings with at least two layers of protection in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies) **especially** in areas of significant community-based transmission." Wearing a mask is **required** for any Westgate Resorts team members that interact with guests but is not intended as a replacement for social distancing, which should be practiced whenever possible, even while wearing a mask.

DISCLAIMER: Westgate Resorts can neither independently certify nor guarantee the effectiveness of masks in preventing virus transmittal, including but not limited to COVID-19. Westgate Resorts is not liable for any issues arising or relating to the use of a mask (directly or indirectly) including, but not limited to, transmittal of any virus.

DISTRIBUTION OF MASK: Masks will be distributed to a single point of contact (POC) at the resort property or corporate location. This point of contact (POC) will provide distribution and tracking of mask.

- Warehouse will deliver/ship mask to POC.
- POC will be provided with a tracking sheet to track mask distribution.
- Team members must provide team member ID in order to receive a mask.
- Team members will be required to replace their mask every two working days.
- Team members will be required to provide old mask in order to receive new mask.
- Team members will receive their mask and POC will be required to initial as having signed out the mask.
- Mask will be handled with gloves only and will be given to team members in a bag in order to prevent contamination.

SECURING OF MASK: Mask are currently in high demand and need to be secured at all times. All masks need to be treated as a valuable company asset and controlled as such.

- POC will be responsible for securing mask in a locked and secure environment whenever they are not being distributed.
- Team members must always keep the mask in their possession and keep secured.
- Team members must report missing mask to POC immediately.
- Masks need to be secured in a protected environment when they are not in use. Brown paper_bags are the acceptable vessel for masks to be stowed when they are not on a team members face. Placing a mask on a table or non-sterile environment is not acceptable, as this could potentially spread harmful germs to the person wearing the mask as well as other people.

PROPER USE OF MASK: It is important to properly use the face mask to prevent unnecessary harm.

- Masks are to be treated as a part of the team members uniform and will be worn at all times at work.
- Masks are required to be worn at all times when in public areas.
- Masks are for the team member who signed for the mask and that team member only.
- Masks should never be shared, exposed to, or handled by other team members or guests.

Face Mask COVID-19 Mitigation Procedure

- Team members should not touch mask with their hands while worn unless they use proper hand washing procedures directly prior to handling the mask.
- Team members should wash hands properly for 20 seconds with antibacterial soap and warm water prior to touching the mask.
- Once hands are clean, mask should be placed over face as follows:
 - Mask should be held with one hand and place over face (covering nose and mouth).
 - Using the other hand, mask strap should be placed over the head, sitting above both ears.
 - If there are two looped straps, each strap should be placed around each ear.
 - Mold or pinch mask nose to shape along the nose to minimize air gap.
- Prior to removing mask, team members should follow proper hand washing procedures.

REPLACING OR DISCARDING MASK: It is important to properly discard mask and follow replacement procedures.

- Mask should not be worn more than five days and replacement mask will be provided following the 5th workday if available.
- Damaged masks should be returned immediately. A replacement will be provided if available.
- Mask that are obviously damaged or become hard to breathe through should be replaced.
- Returns of masks will be brought to the security guard on duty or POC and the team member/security guard will follow these steps:
 - Team member will wash their hands prior to removal of mask.
 - Team member will sign their mask back in with security, using a sterilized pen.
 - Team member will then remove mask and place into a bag.
 - Security guard will ensure bag is properly sealed and ensure they have sterile gloves to handle the bag.
 - Team member will seal the bag and immediately dispose of it in a closed container.
- Team member will then be required to return old mask to receive new mask.
 - Team member will not be allowed to obtain more than one mask at a time.

FACE MASK TRACKING AND ACKNOWLEDGEMENT FORM: The face mask tracking sheet and acknowledgement form are important in order to secure and track mask, and properly disclose the use of the mask.

- Corporate will provide the POC with a masking tracking sheet and acknowledgement form.
- Team member must provide proper team member ID to receive a mask.
- Tracking sheets must be kept in a secure location and need to be accessible for the duration of this time.
- Acknowledgement form needs to be signed by all team members upon first time receiving a mask.
- Acknowledgement forms and tracking sheet should be scanned and sent to the security command center every Friday by midnight.

ACKNOWLEDGEMENT: I hereby acknowledge that I have reviewed and understand this department policy, and further understand that violation of any part of this policy may result in progressive disciplinary action, up to and including termination of employment.
