Our artisan pizza starts from scratch using the finest imported Napolitano Caputo flour and our house-made San Marzano tomato sauce. When we are ready to bake, the pizza is placed in a 700-degree Marra Forni brick oven. The bricks that create this oven are comprised of Mount Vesuvius sand, which is the only sand in the world that can withstand this heat. To get a pizza any more authentic, you would need a passport!

Parties of six or more may be subject to 18% gratuity. In order to comply with social distancing, parties of eight or more will be split.
